

### **Remarks**

Applicant wishes to thank the Examiner for the careful consideration given to the application and Applicant acknowledges the allowance of claims 20-26. Claims 3, 5, 9, 13, 15 and 16 have been amended as described below. Claims 1 and 2 have been cancelled. All remaining claims are unchanged.

Claims 3-19 were objected to as being dependent upon a rejected base claim. Claims 3, 9, 16 and 18 have been rewritten in independent form including all of the limitations of their base claim and any intervening claims. Claims 4-8, 10-15, 17, and 19 now properly depend from an allowable independent claim.

Claims 5, 13, 15, and 18 have been amended to more specifically claim the prefabricated jail cell as being configured to be attached to a plurality of other identical cells. Applicant believes this alteration removes the Examiner's objection.

### **Conclusion**

Applicant submits that all of the claims of the present application are in condition of allowance and allowance is respectfully requested. However, if the Examiner discovers any remaining issues, Applicant requests that the Examiner contact the undersigned via telephone to rapidly resolve those issues. No specific objections were cited by the Examiner in the Action as to the drawings and Applicant, hence, assumes they are accepted. No fees are required for this response.

Respectfully submitted,  
SIROTE & PERMUTT, P.C.
